

Join us in the fight to end poverty

Today, CAREBEAMS is working in over 100 countries reaching more than 100 million people through our work. Every person who we support is working to achieve their own hopes and dreams despite facing some of our global community's most dire challenges – conflict, rising costs, food shortages, and long-lasting effects of the COVID-19 pandemic, all of which disproportionately impact women and girls.

From all of us at CAREBEAMS: welcome! We are so grateful for your dedication to CAREBEAMS' mission of saving lives, ending poverty, and achieving social justice.
